A REMINDER FOR DOG OWNERS

We receive at Borough Hall on a regular basis concerns about running dogs and dog waste. When taking the family dog for a walk, the dog must be leashed at all times. If your dog defecates on the street, sidewalk, public property, or private property, it is the walker's and/or owner's responsibility to immediately clean-up and appropriately dispose of the pet waste. Take a pet waste bag with you on your neighborhood dog walks. Place the used waste bags in your trash toter. Thank you for your cooperation.

FLUSHING PUBLIC WATER LINES TUESDAY, MAY 17 (RAIN DATE – THURSDAY, MAY 19)

One component of our public water maintenance program is in the Spring we flush the water distribution pipes. We do this by opening some of the fire hydrants and letting the water flow. Sometimes this creates a change in the appearance of your household drinking water. The water may appear discolored or cloudy. The water has been treated and is safe to drink, cook, and bathe.

Before you wash your clothes confirm the water is running clear. If you ran the washing machine and the laundry appears discolored do not use bleach. Bleach will set the rust stain in the clothing.

Landlords, please share this information with your tenants.

ATGLEN BEAUTIFICATION DAY SATURDAY, MAY 21 MEET AT BOROUGH HALL, 9 AM

The Atglen Borough Park and Recreation Commission is holding a Spring Clean-Up Event. We will be planting flowers and walking the Borough picking up roadside litter. Bring your family (children too) and join us at Borough Hall, 120 Main Street. Volunteers will be given gloves, a vest, and trash bags. Please dress for the weather and wear sneakers/boots. If you are not available to help on May 21 take some time over that weekend to get out in your yard, spruce up the flower beds, and plant some flowers.
